1. Write about a snowflake.
2. On each blank line, compare the snowflake to something else.
   Example: *A snowflake is as soft as a baby's blanket.*

Snowflake

Then it lands on my nose.

A snowflake is

It floats like a
_____.

as soft as
_____.

as white as

as quiet as

by _____

Snowflake Similes

Sloppy copy written by _____

A snowflake is

as soft as _____

as quiet as _____

as white as _____

it floats like a _____

as it lands on my tongue.

Name _____ Date _Jan. 24___

3-Digit Addition without Regrouping

Directions: Use your favorite addition
strategy to solve each equation.
Show your work in the space provided.

1) 525 + 144 = **669**

$$500 + 20 + 5$$
$$100 + 40 + 4$$
$$600 + 60 + 9$$

2) 382 + 104 = _____

3) 234 + 354 = _____

4) 111 + 533 = _____

5) 530 + 443 = _____

6) 437 + 412 = _____

7) 686 + 301 = _____

8) 120 + 739 = _____

9) 212 + 627 = _____

10) 222 + 151 = _____

11) 140 + 339 = _____

12) 241 + 610 = _____
